STATEMENT ON THE PASSING OF SENATOR DANIEL PATRICK MOYNIHAN

“Today all New Yorkers mourn the death of Senator Daniel Patrick Moynihan, one of our state’s great leaders of the past century. Throughout his lifetime of public service, Senator Moynihan always showed himself to be one of our nation’s most enlightened voices for protecting Social Security, social justice and foreign policy.”

“Senator Moynihan’s legacy as either a scholar, diplomat or politician would be enough accomplishment for any one lifetime, but his combined achievement of serving this country is what made him such an extraordinary man.”
